SUBJECT : Congressional Briefing Request

BRIEFING DATE : 9 A.M., January 6 or 7, 1983 at HeadquartersREQUEST : We have two requests for general update briefings on several African countries.

1. Alison Rosenberg, the Senate Foreign Relation Committee's senior advisor for African affairs, is leaving shortly for a conference in Zimbabwe and would like an overall briefing on Zimbabwe and Kenya. She proposed coming to headquarters at 9 A.M. on either Thursday or Friday. She has SI/TK clearances.
2. Gardner Peckham, of the House Foreign Affairs Africa Subcommittee staff, has also requested an update on Zimbabwe as well as on Mozambique and Tanzania. *not codeword*

Would it be possible to give a joint briefing on Zimbabwe and then supply analysts to cover the other countries in separate briefings?
